

A UNIQUE TRAINING OPPORTUNITY TRANSPORTATION OF DANGEROUS GOODS TRAINING

CUSTOMIZED TO YOUR INDUSTRY, OUR COURSES ARE INSTRUCTOR LED
BY A CERTIFIED HAZARDOUS MATERIALS TECHNICIAN (NFPA-472)

When does your staff require Transportation of Dangerous Goods (TDG) Training?

Under the Transportation of Dangerous Goods Regulations, anyone who handles offers for transport, or transports dangerous goods must be adequately trained and hold a valid training certificate. Therefore, you should always assume they all need some level of training.

**These certificates have expiry dates
and are NOT transferable.**

TDG COURSES AVAILABLE

Road & Rail (TDG) - Air (IATA) - Marine (IMDG)

Make the Smarter Choice! In-Class Training = Positive Results

- Traditional classroom training, taught at a pace set by the group.
- Real life situations and examples by a trainer with professional expertise.
- Students bond with someone that has experience, who can answer their questions knowledgeably.
- Face to face training offers verbal feedback and constructive criticism that instills motivation to learn.
- Employees will appreciate the time spent in class and the level of education they've received when they are required to use it on the job.
